Item 1.01. Entry into a Material Definitive Agreement.

On September 12, 2019, Otter Tail Power Company (the “Company”), a wholly owned subsidiary of Otter Tail Corporation (“OTC”), entered into a Note Purchase Agreement (the “Note Purchase Agreement”) with the purchasers named therein (the “Purchasers”), pursuant to which the Company has agreed to issue to the Purchasers, in a private placement transaction, \$175 million aggregate principal amount of the Company’s senior unsecured notes consisting of (a) \$10,000,000 aggregate principal amount of its 3.07% Series 2019A Senior Unsecured Notes due October 10, 2029 (the “Series 2019A Notes”), (b) \$26,000,000 aggregate principal amount of its 3.52% Series 2019B Senior Unsecured Notes due October 10, 2039 (the “Series 2019B Notes”), (c) \$64,000,000 aggregate principal amount of its 3.82% Series 2019C Senior Unsecured Notes due October 10, 2049 (the “Series 2019C Notes”), (d) \$10,000,000 aggregate principal amount of its 3.22% Series 2020A Senior Unsecured Notes due February 25, 2030 (the “Series 2020A Notes”), (e) \$40,000,000 aggregate principal amount of its 3.22% Series 2020B Senior Unsecured Notes due August 20, 2030 (the “Series 2020B Notes”), (f) \$10,000,000 aggregate principal amount of its 3.62% Series 2020C Senior Unsecured Notes due February 25, 2040 (the “Series 2020C Notes”) and (g) \$15,000,000 aggregate principal amount of its 3.92% Series 2020D Senior Unsecured Notes due February 25, 2050 (the “Series 2020D Notes”); and together with the Series 2019A Notes, the Series 2019B Notes, the Series 2019C Notes, the Series 2020A Notes, the Series 2020B Notes and the Series 2020C Notes, the “Notes”). The Series 2019A Notes, the Series 2019B Notes and the Series 2019C Notes are expected to be issued on October 10, 2019. The Series 2020A Notes, the Series 2020C Notes and the Series 2020D Notes are expected to be issued on February 25, 2020. The Series 2020B Notes are expected to be issued on August 20, 2020. The issuance of the Notes is subject to the satisfaction of certain customary conditions to closing.

The Note Purchase Agreement states that the Company may prepay all or any part of the Notes (in an amount not less than 10% of the aggregate principal amount of the Notes then outstanding in the case of a partial prepayment) at 100% of the principal amount so prepaid, together with unpaid accrued interest and a make-whole amount; provided that if no default or event of default exists under the Note Purchase Agreement, any prepayment made by the Company of all of the (a) Series 2019A Notes then outstanding on or after April 10, 2029, (b) Series 2019B Notes then outstanding on or after April 10, 2039, (c) Series 2019C Notes then outstanding on or after April 10, 2049, (d) Series 2020A Notes then outstanding on or after August 25, 2029, (e) Series 2020B Notes then outstanding on or after February 20, 2030, (f) Series 2020C Notes then outstanding on or after August 25, 2039 or (g) Series 2020D Notes then outstanding on or after August 25, 2049 will be made without any make-whole amount. The Note Purchase Agreement also requires the Company to offer to prepay all outstanding Notes at 100% of the principal amount together with unpaid accrued interest in the event of a Change of Control (as defined in the Note Purchase Agreement) of the Company.

The Note Purchase Agreement contains a number of restrictions on the business of the Company that will be effective upon execution of the Note Purchase Agreement. These include restrictions on the Company’s abilities to merge, sell assets, create or incur liens on assets, guarantee the obligations of any other party, and engage in transactions with related parties. The Note Purchase Agreement also contains other negative covenants and events of default, as well as certain financial covenants. Specifically, the Company may not permit its Interest-bearing Debt (as defined in the Note Purchase Agreement) to exceed 60% of Total Capitalization (as defined in the Note Purchase Agreement), determined as of the end of each fiscal quarter. The Company is also restricted from allowing its Priority Indebtedness (as defined in the Note Purchase Agreement) to exceed 20% of Total Capitalization, determined as of the end of each fiscal quarter. The Note Purchase Agreement does not include provisions for the termination of the agreement or the acceleration of repayment of amounts outstanding due to changes in the Company’s credit ratings. The Note Purchase Agreement includes a “most favored lender” provision generally requiring that in the event the Company’s existing credit agreement or any renewal, extension or replacement thereof, at any time contains any financial covenant or other provision providing for limitations on interest expense and such a covenant is not contained in the Note Purchase Agreement under substantially similar terms or would be more beneficial to the holders of the Notes than any analogous provision contained in the Note Purchase Agreement (an “Additional Covenant”), then unless waived by the Required Holders (as defined in the Note Purchase Agreement), the Additional Covenant will be deemed to be incorporated into the Note Purchase Agreement. The Note Purchase Agreement also provides for the amendment, modification or deletion of an Additional Covenant if such Additional Covenant is amended or modified under or deleted from the credit agreement, provided that no default or event of default has occurred and is continuing.

The Company intends to use the proceeds of the Notes for capital expenditures and general corporate purposes.

The summary in this Item 1.01 of the material terms of the Note Purchase Agreement is qualified in its entirety by reference to the full text of the Note Purchase Agreement, a copy of which is filed as Exhibit 4.1 hereto and incorporated herein by reference.

U.S. Bank National Association (“U.S. Bank”) and Bank of America, N.A. (“Bank of America”), acted as placement agents (the “Agents”) in connection with the Notes. The Agents and certain of their affiliates have had, and may in the future have, investment banking and other commercial dealings with the Company and its other affiliates, for which the Agents or their affiliates have received and may in the future receive customary compensation. Such dealings in the past five years have included the following:

On the Execution Date and each Closing Date, the Company represents and warrants to each Purchaser that:

Section 5.1. Organization; Power and Authority. The Company is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and is duly qualified as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and the Notes and to perform the provisions hereof and thereof.

Section 5.2. Authorization, Etc. This Agreement and the Notes have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof each Note will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (a) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (b) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 5.3. Disclosure. This Agreement and the documents, certificates or other writings delivered to the Purchasers by or on behalf of the Company prior to August 23, 2019 in connection with the transactions contemplated hereby and identified in Schedule 5.3, and the financial statements listed in Schedule 5.5 (this Agreement and such documents, certificates or other writings and such financial statements delivered to each Purchaser being referred to, collectively, as the "*Disclosure Documents*"), taken as a whole, do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made; *provided*, that, with respect to projected and pro forma financial information contained in the Disclosure Documents, the Company represents only that such information was prepared in good faith based upon estimates and assumptions believed by the Company to be reasonable at the time made, it being recognized by the Purchasers that such projections as to future events are not to be viewed

as facts and that actual results during the period or periods covered by any such projections may differ from the projected results. Except as disclosed in the Disclosure Documents, since December 31, 2018, there has been no change in the financial condition, operations, business or properties of the Company or any Subsidiary except changes that individually or in the aggregate would not reasonably be expected to have a Material Adverse Effect.

Section 5.4. Organization and Ownership of Shares of Subsidiaries; Affiliates.

(a) Schedule 5.4, as such Schedule may be updated in accordance with Section 4.1, contains (except as noted therein) complete and correct lists (1) of the Company's Subsidiaries, showing, as to each Subsidiary, the name thereof, the jurisdiction of its organization, and the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by the Company and each other Subsidiary and (2) of the Company's directors and senior officers.

(subject, in the case of any interim financial statements, to the absence of footnotes and normal year-end adjustments). The Company and its Subsidiaries do not have any material liabilities that were not disclosed on such financial statements or otherwise disclosed in the Disclosure Documents.

Section 5.6. Compliance with Laws, Other Instruments, Etc. The execution, delivery and performance by the Company of this Agreement and the Notes will not (a) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Company or any Significant Subsidiary under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter, regulations or by-laws, shareholders agreement or any other Material agreement or instrument to which the Company or any Significant Subsidiary is bound or by which the Company or any Significant Subsidiary or any of their respective properties may be bound or affected, (b) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Significant Subsidiary or (c) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Significant Subsidiary.

Section 5.7. Governmental Authorizations, Etc. No consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required in connection with the execution, delivery or performance by the Company of this Agreement or the Notes; *provided, however*, that the Company is required to make an annual filing of its capital structure with the Minnesota Public Utilities Commission, and such Commission may thereafter issue orders approving or disapproving of the Company's capital structure and within twenty (20) days following the Execution Date, the Company is required to make an informational filing with such Commission that describes the basic terms of this Agreement and the Notes.

Section 5.8. Litigation; Observance of Agreements, Statutes and Orders.

(a) There are no actions, suits or proceedings pending or, to the knowledge of the Company, threatened against the Company or any Subsidiary or directly affecting any property of the Company or any Subsidiary in any court or before any arbitrator of any kind or before or by any Governmental Authority that, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect. The Company knows of no basis for any other tax or assessment that, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect. The charges, accruals and reserves on the books of the Company and its Subsidiaries in respect of U.S. federal, state or other taxes for all fiscal periods are adequate. The U.S. federal income tax liabilities of the Company and its Subsidiaries have been finally determined (whether by reason of completed audits or the statute of limitations having run) for all fiscal years up to and including the fiscal year ended December 31, 2014.

Section 5.10. Title to Property; Leases. All leases that individually or in the aggregate are Material are valid and subsisting and are in full force and effect in all material respects.

Section 5.11. Licenses, Permits, Etc.

Neither the Company nor any ERISA Affiliate has incurred any liability pursuant to Title I or IV of ERISA or the penalty or excise tax provisions of the Code relating to employee benefit plans (as defined in Section 3 of ERISA), and no event, transaction or condition has occurred or exists that, individually or in the aggregate, would reasonably be expected to result in the incurrence of any such liability by the Company or any ERISA Affiliate, or in the imposition of any Lien on any of the rights, properties or assets of the Company or any ERISA Affiliate, in either case pursuant to Title I or IV of ERISA or to Section 430(k) of the Code or to any such penalty or excise tax provisions under the Code or federal law or Section 4068 of ERISA or by the granting of a security interest in connection with the amendment of a Plan, other than such liabilities or Liens as would not be individually or in the aggregate Material.

(b) The present value of the aggregate benefit liabilities under each of the Plans subject to Title IV of ERISA (other than Multiemployer Plans), determined as of the first day of such Plan's most recently ended plan year on the basis of the actuarial assumptions specified for funding purposes in such Plan's most recent actuarial valuation report, did not exceed the aggregate current value of the assets of such Plan allocable to such benefit liabilities by an amount in the case of any single Plan or in the aggregate for all Plans that would reasonably be expected to result in a Material Adverse Effect. The representation by the Company to each Purchaser in the first sentence of this Section 5.12 (e) is made in reliance upon and subject to the accuracy of such Purchaser's representation in Section 6.2 as to the sources of the funds to be used to pay the purchase price of the Notes to be purchased by such Purchaser.

Neither the Company nor anyone acting on its behalf has taken, or will take, any action that would subject the issuance or sale of the Notes to the registration requirements of Section 5 of the Securities Act or to the registration requirements of any Securities or blue sky laws of any applicable jurisdiction.

Section 5.14. Use of Proceeds; Margin Regulations. The Company will apply the proceeds of the sale of the Notes as set forth in Schedule 5.14. (b) Except as disclosed in Schedule 5.15, neither the Company nor any Subsidiary has agreed or consented to cause or permit any of its property, whether now owned or hereafter acquired, to be subject to a Lien, or to cause or permit in the future (upon the happening of a contingency or otherwise) any of its property, whether now owned or hereafter acquired, to be subject to a Lien, not permitted by Section 10.7.

(c) Neither the Company nor any Subsidiary is a party to, or otherwise subject to any provision contained in, any instrument evidencing Indebtedness of the Company or such Subsidiary, any agreement relating thereto or any other agreement (including, but not limited to, its charter or other organizational document) which limits the amount of, or otherwise imposes restrictions on the incurring of, Indebtedness of the Company, except as specifically indicated in Schedule 5.15.

(1) constitutes or will constitute funds obtained on behalf of any Blocked Person or will otherwise be used by the Company or any Controlled Entity, directly or indirectly, (i) in connection with any investment in, or any transactions or dealings with, any Blocked Person, (ii) for any purpose that would cause any Purchaser to be in violation of any U.S. Economic Sanctions Laws or (iii) otherwise in violation of any U.S. Economic Sanctions Laws;

(2) will be used, directly or indirectly, in violation of, or cause any Purchaser to be in violation of, any applicable Anti-Money Laundering Laws; or

(3) will be used, directly or indirectly, for the purpose of making any improper payments, including bribes, to any Governmental Official or commercial counterparty in order to obtain, retain or direct business or obtain any improper advantage, in each case which would be in violation of, or cause any Purchaser to be in violation of, any applicable Anti-Corruption Laws.

(d) The Company has established procedures and controls which it reasonably believes are adequate (and otherwise comply with applicable law) to ensure that the Company and each Controlled Entity is and will continue to be in compliance with all applicable U.S. Economic Sanctions Laws, Anti-Money Laundering Laws and Anti-Corruption Laws.

(b) Neither the Company nor any Subsidiary has knowledge of any facts which would give rise to any claim, public or private, of violation of Environmental Laws or damage to the environment emanating from, occurring on or in any way related to real properties now or formerly owned, leased or operated by any of them or to other assets or their use, except, in each case, such as, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 8. PAYMENT AND PREPAYMENT OF THE NOTES.

Section 8.1. Maturity; Required Prepayment at Holder Option.

(a) As provided therein, the entire unpaid principal balance of each Note shall be due and payable on the Maturity Date thereof.

(b) In the event that a Change of Control shall occur, the Company will give written notice (a "*Change of Control Notice*") of such fact not more than ten (10) days after the Change of Control Date to all holders of the Notes. The Change of Control Notice shall (1) describe the facts and circumstances of the Change of Control in reasonable detail, (2) describe the Indebtedness of the Company in excess of \$1,000,000 in principal amount then outstanding, (3) specify the rating, if any, accorded to the senior unsecured debt of the Company by a Designated Rating Agency which is below an Acceptable Rating or state that that the Company has requested a private rating of its senior unsecured debt and that the Designated Rating Agency has not issued a private rating in accordance with such request within the required time period, (4) refer to this Section 8.1(b) and the right of the holders of the Notes to require the Company to prepay their Notes on the terms and conditions provided for herein upon the occurrence of a Change of Control, and (5) contain an offer by the Company to prepay all of the outstanding Notes in full together with unpaid accrued interest to the date of prepayment.

(c) Each holder of the Notes shall have the right to accept an offer made by the Company pursuant to Section 8.1(b) and require prepayment of the Notes held by such holder in full by written notice (the "*Prepayment Notice*") to the Company given within sixty (60) days following receipt of a Change of Control Notice. On the prepayment date designated in such holder's Prepayment Notice (which shall be a Business Day not less than fifteen (15) days nor more than thirty (30) days after the date such Prepayment Notice is delivered to the Company), the Company shall prepay all Notes held by such holder at 100% of the principal amount of such Notes, together with unpaid accrued interest thereon

to the date of prepayment. Failure to respond by a holder of the Notes shall constitute a rejection of such offer by such holder.

(d) In the event the Company fails to give the Change of Control Notice as required above, each holder of Notes shall have the right to require the Company to prepay all Notes held by such holder at 100% of the principal amount of such Notes, together with unpaid accrued interest thereon to the date of prepayment. Notice of any required prepayment pursuant to this Section 8.1(d) shall be delivered by any holder of Notes to the Company not more than one hundred eighty (180) days after such holder has actual knowledge of such Change of Control. On the date designated in such holder's notice (which shall be a Business Day not less than fifteen (15) days after the date such notice is delivered to the Company), the Company shall prepay all Notes held by such holder at 100% of the principal amount of such Notes, together with unpaid accrued interest thereon to the date of prepayment. If the holder of any Note gives any notice pursuant to this Section 8.1(d) the Company will give a Company Notice within five (5) Business Days of receipt of such notice to all holders of the Notes.

(e) The obligation of the Company to give the notices specified in this Section 8.1 shall remain in effect so long as any Notes remain outstanding.

Section 8.2. Optional Prepayments with Make-Whole Amount. The Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Notes, in an amount not less than 10% of the aggregate principal amount of the Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid, and the Make-Whole Amount determined for the prepayment date with respect to such principal amount. The Company will give each holder of Notes written notice of each optional prepayment under this Section 8.2 not less than thirty (30) days and not more than sixty (60) days prior to the date fixed for such prepayment. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.3), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two (2) Business Days prior to such prepayment, the Company shall deliver to each holder of Notes a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the specified prepayment date. Notwithstanding the foregoing, so long as no Default or Event of Default shall then exist, any prepayment made by the Company pursuant to this Section 8.2 of all of the (a) Series 2019A Notes then outstanding on or after April 10, 2029, (b) Series 2019B Notes then outstanding on or after April 10, 2039, (c) Series 2019C Notes then outstanding on or after April 10, 2049, (d) Series 2020A Notes then outstanding on or after August 25, 2029, (e) Series 2020B Notes then outstanding on or after February 20, 2030, (f) Series 2020C Notes then outstanding on or after August 25, 2039 or (g) Series 2020D Notes then outstanding on or after August 25, 2049 shall be made at 100% of the principal so prepaid, but without any Make-Whole Amount.

Section 8.3. Allocation of Partial Prepayments. In the case of each partial prepayment of the Notes pursuant to Section 8.2, the principal amount of the Notes to be prepaid shall be allocated among all of the Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

Section 8.4. Maturity; Surrender, Etc. In the case of each prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment, together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

Section 8.5. Purchase of Notes. The Company will not, and will not permit any Affiliate to, purchase, redeem, prepay or otherwise acquire or assume, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with the terms of this Agreement and the Notes and (b) pursuant to an offer to purchase made by the Company or an Affiliate pro rata to each holder upon the same terms and conditions. Any offer made pursuant to clause (b) of the immediately preceding sentence shall provide each holder with sufficient information to enable it to make an informed decision with respect to such offer, and shall remain open for at least thirty (30) Business Days. If the holders of more than 30% of the principal amount of the Notes then outstanding accept such offer, the Company shall promptly notify the remaining holders of such fact and the expiration date for the acceptance by such holders of such offer shall be extended by the number of days necessary to give each such remaining holder at least thirty (30) Business Days from its receipt of such notice to accept such offer; *provided*, that, in no event shall any holder be obligated to accept such offer from the Company. The Company will promptly cancel all Notes acquired by it or any Affiliate pursuant to any payment, prepayment or purchase of Notes pursuant to any provision of this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

Section 8.6. Make-Whole Amount.

“Make-Whole Amount” means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal, *provided* that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“Called Principal” means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“Discounted Value” means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with

respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the applicable Note is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“Reinvestment Yield” means, with respect to the Called Principal of any Note, 0.50% (50 basis points) over the yield to maturity implied by the “Ask Yield(s)” reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (*“Reported”*) having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between the “Ask Yields” Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then “Reinvestment Yield” means, with respect to the Called Principal of any Note, 0.50% (50 basis points) over the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (i) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (ii) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

“Remaining Average Life” means, with respect to any Called Principal, the number of years obtained by dividing (a) such Called Principal into (b) the sum of the products obtained by multiplying (1) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (2) the number of years, computed on the basis of a 360-day year comprised of twelve 30-day months and calculated to two decimal places, that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“*Remaining Scheduled Payments*” means, with respect to the Called Principal of any Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, *provided* that if such Settlement Date is not a date on which interest payments are due to be made under the terms of the applicable Note, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.2 or Section 12.1.

“*Settlement Date*” means, with respect to the Called Principal of any Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

SECTION 9. AFFIRMATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding:

Section 9.2. Insurance. The Company will, and will cause each of its Subsidiaries to, maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities of established reputations engaged in the same or a similar business and similarly situated.

Section 9.3. Maintenance of Properties. The Company will, and will cause each of its Subsidiaries to, maintain and keep, or cause to be maintained and kept, their respective properties in good repair, working order and condition (other than ordinary wear and tear), so that the business carried on in connection therewith may be properly conducted at all times, *provided* that this Section 9.3 shall not prevent the Company or any Subsidiary from discontinuing the operation and the maintenance of any of its properties if such discontinuance is desirable in the conduct of its business and the Company has concluded that such discontinuance would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.4. Payment of Taxes. The Company will, and will cause each of its Subsidiaries to, or will cause OTC on behalf of the Company and each of its Subsidiaries pursuant to a tax sharing agreement to, file all Tax Returns and to pay and discharge all taxes shown to be due and payable on such Tax Returns and all other taxes, assessments, governmental charges, or levies imposed on them or any of their properties, assets, income or franchises, to the extent the same have become due and payable and before they have become delinquent, *provided* that neither the Company nor any Subsidiary need pay any such tax, assessment, charge or levy if (a) the amount, applicability or validity thereof is contested by the Company or such Subsidiary on a timely basis in good faith and in appropriate proceedings, and the Company or a Subsidiary has established adequate reserves therefor in accordance with GAAP on the books of the Company or such Subsidiary or (b) the nonpayment of all such taxes, assessments, charges and levies individually or in the aggregate would not reasonably be expected to have a Material Adverse Effect.

Section 9.5. Corporate Existence, Etc. Subject to Section 10.4, the Company will at all times preserve and keep in full force and effect its corporate existence, its good standing under the laws of its jurisdiction of incorporation and its qualification to transact business in each jurisdiction in which the character of the properties owned, leased or operated by it or the business conducted by it makes such qualification necessary. Subject to Sections 10.4 and 10.8, the Company will at all times preserve and keep in full force and effect the corporate existence of each of its Subsidiaries (unless merged into the Company or a Wholly-Owned Subsidiary) and all rights and franchises of the Company and its Subsidiaries unless, in the good faith judgment of the Company, the termination of or failure to preserve and keep in full force and effect such corporate existence, right or franchise would not, individually or in the aggregate, have a Material Adverse Effect.

Section 9.6. Environmental Matters. The Company will, and will cause each of its Subsidiaries to, observe and comply with all laws, rules, regulations and orders of any Governmental Authority relating to health, safety, pollution, hazardous materials or other environmental matters to the extent non-compliance would result in a material liability or otherwise constitute a Material Adverse Effect.

Section 9.7. Ranking of Obligations. The Company will take all actions necessary to assure that the Notes are senior unsecured Indebtedness of the Company, and are and remain *pari passu* and of equal rank and seniority with all other senior unsecured Indebtedness of the Company.

Section 9.8. Books and Records. The Company will, and will cause each of its Subsidiaries to, maintain proper books of record and accounts in conformity with GAAP and all applicable requirements of any Governmental Authority having legal or regulatory jurisdiction over the Company or such Subsidiary, as the case may be. The Company will, and will cause each of its Subsidiaries to, keep books, records and accounts which, in reasonable detail, accurately reflect all material transactions and dispositions of assets. The Company and its Subsidiaries have devised a system of internal accounting controls sufficient to provide reasonable assurances that their respective books, records, and accounts accurately reflect all material transactions and dispositions of assets and the Company will, and will cause each of its Subsidiaries to, continue to maintain such system.

Section 9.9. Most Favored Lender.

(a) In the event that the Bank Credit Agreement shall at any time contain any financial covenant, undertaking, restriction or other provision that provides for limitations on interest expense which, for the avoidance of doubt, shall include dividends or interest on Preferred Stock (however expressed and whether stated as a ratio, as a fixed threshold, as an event of default or otherwise) and such covenant, undertaking, restriction or provision is not contained in this Agreement under substantially similar terms, or would be more beneficial to the holders of the Notes than any analogous covenant, undertaking, restriction or provision contained in this Agreement (any such covenant, undertaking, restriction or provision, an “*Additional Covenant*”) then, unless waived in writing by the Required Holders, such Additional Covenant shall be deemed automatically incorporated by reference into this Agreement, *mutatis mutandis*, as if set forth fully herein, without any further action required on the part of any Person, effective as of the date when such Additional Covenant became effective under the Bank Credit Agreement. Thereafter, upon the request of any holder of a Note, the Company shall promptly, at its expense (including, without limitation, the fees and expenses of counsel for the holders of the Notes), enter into any additional agreement or amendment to this Agreement reasonably requested by such holder evidencing any of the foregoing.

(b) Provided that no Default or Event of Default shall have occurred and be continuing, any Additional Covenant shall be deemed automatically (1) amended or otherwise modified in this Agreement at such time as each holder of Notes shall have received notice in writing from the Company certifying that (i) such Additional Covenant shall have been so amended or otherwise modified under the Bank Credit Agreement and (ii) no Default or Event of Default then exists and (2) deleted from this Agreement at such time as each holder of Notes shall have received notice in writing from the Company certifying that (i) such Additional Covenant shall have been deleted from the Bank Credit Agreement and (ii) no Default or Event of Default then exists. If the Company or any other Person shall pay any fee or other compensation to any Person party to the Bank Credit Agreement as an inducement to receiving any amendment, modification or deletion that is the subject of any notice set forth in the foregoing clause (1) or (2), such amendment, modification or deletion shall not become effective under this Agreement until the Company shall have paid the same level of fee or other compensation to each holder of Notes (whether a flat fee or flat compensation or based on a percentage or other metric of outstanding obligations or otherwise).

(c) Notwithstanding anything set forth in this Section 9.9, no covenant contained in this Agreement as of Execution Date shall be deemed deleted from this Agreement or made less restrictive than the level set with respect to such covenant (however expressed) as of the Execution Date unless amended or otherwise modified in accordance with Section 17.

Section 9.10. Filing with the Minnesota Public Utilities Commission. On or prior to the twentieth (20th) day after the Execution Date, the Company shall make an informational filing with the Minnesota Public Utilities Commission that describes the basic terms of this Agreement and the Notes (omitting the Purchasers’ information on Schedule A).

SECTION 10. NEGATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding:

Section 10.1. Limitation on Interest-bearing Debt. The Company will not permit Interest-bearing Debt to exceed 60% of Total Capitalization determined as of the end of each fiscal quarter of the Company.

Section 14.2. Home Office Payment. So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, interest and all other amounts becoming due hereunder by the method and at the address specified for such purpose below such Purchaser's name in Schedule A, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 14.2.

Section 14.3. FATCA Information. By acceptance of any Note, the holder of such Note agrees that such holder will with reasonable promptness duly complete and deliver to the Company, or to such other Person as may be reasonably requested by the Company, from time to time (a) in the case of any such holder that is a United States Person, such holder's United States tax identification number or other forms reasonably requested by the Company necessary to establish such holder's status as a United States Person under FATCA and as may otherwise be necessary for the Company to comply with its obligations under FATCA and (b) in the case of any such holder that is not a United States Person, such documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Code) and such additional documentation as may be necessary for the Company to comply with its obligations under FATCA and to determine that such holder has complied with such holder's obligations under FATCA or to determine the amount, if any, to deduct and withhold from any such payment made to such holder. Nothing in this Section 14.3 shall require any holder to provide information that is confidential or proprietary to such holder unless the Company is required to obtain such information under FATCA. In such event, the Company shall treat any such information it receives as confidential, but, for the avoidance of doubt, the Company may report such information to the Internal Revenue Service or other taxing authority to the extent required by FATCA.

SECTION 15. EXPENSES, ETC.

Section 15.1. Transaction Expenses. Whether or not the transactions contemplated hereby are consummated, the Company will pay all costs and expenses (including reasonable attorneys' fees of the Purchaser's special counsel, Schiff Hardin LLP) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement or the Notes (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement or the Notes, or by reason of being a holder of any Note, (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes and (c) the costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO, *provided*, that such reimbursed costs and expenses under this clause (c) shall not exceed \$5,000 per series of Notes. If required by the NAIC, the Company shall obtain and maintain at its own cost and expense a Legal Entity Identifier (LEI).

The Company will pay, and will save each Purchaser and each other holder of a Note harmless from, (i) all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes), (ii) any and all wire transfer fees that any bank or other financial institution deducts from any payment under such Note to such holder or otherwise charges to a holder of a Note with respect to a payment under such Note and (iii) any judgment, liability, claim, order, decree, fine, penalty, cost, fee, expense (including, without limitation, reasonable attorneys' fees and expenses) or obligation resulting from the consummation of the transactions contemplated hereby, including the use of the proceeds of the Notes by the Company, *provided* that such agreement by the Company to pay and save harmless shall not, as to any Purchaser or holder, be available to the extent that any such judgment, liability, claim, order, decree, fine, penalty, cost, fee, expense or obligation (x) resulted from the gross negligence or willful misconduct of any such Purchaser or holder, (y) resulted from a claim brought by the Company against such Purchaser or holder for material breach of such Purchaser's or holder's obligations under this Agreement to the extent that such claim has resulted in a final, non-appealable judgment in favor of the Company or (z) resulted from any dispute solely among two or more Purchasers, two or more holders or one or more Purchasers and one or more holders (not arising as a result of any act or omission by the Company, any of its Affiliates that directly Control the Company or any of its Affiliates that the Company directly Controls). A Purchaser or holder seeking to receive payment under this Section 15.1 shall use reasonable efforts (to the extent permitted by law) to notify the Company of any event requiring such payment within 60 days following such Purchaser's or holder's receipt of notice of commencement of any action or proceeding, or such Purchaser's or holder's obtaining knowledge of the occurrence of any other event giving rise to a claim for payment hereunder, *provided* that failure to give such notice shall not affect the Company's obligations under this paragraph.

Section 15.2. Certain Taxes. The Company agrees to pay all stamp, documentary or similar taxes or fees which may be payable in respect of the execution and delivery or the

enforcement of this Agreement or the execution and delivery (but not the transfer) or the enforcement of any of the Notes in the United States of America or any other jurisdiction where the Company has assets or of any amendment of, or waiver or consent under or with respect to, this Agreement or of any of the Notes, and to pay any value added tax due and payable in respect of reimbursement of costs and expenses by the Company pursuant to this Section 15, and will save each holder of a Note to the extent permitted by applicable law harmless against any loss or liability resulting from nonpayment or delay in payment of any such tax or fee required to be paid by the Company hereunder.

Section 15.3. Survival. The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement or the Notes, and the termination of this Agreement.

SECTION 16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company under this Agreement. Subject to the preceding sentence, this Agreement and the Notes embody the entire agreement and understanding between each Purchaser and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

SECTION 17. AMENDMENT AND WAIVER.

Section 17.1. Requirements. This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), only with the written consent of the Company and the Required Holders, except that (a) no amendment or waiver of any of the provisions of Section 1, 2, 3, 4, 5, 6 or 21 or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing, and (b) no such amendment or waiver may, without the written consent of each Purchaser and the holder of each Note at the time outstanding, (1) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of (i) interest on the Notes or (ii) the Make-Whole Amount, (2) change the percentage of the principal amount of the Notes the holders of which are required to consent to any such amendment or waiver or the principal amount of the Notes that the Purchasers are to purchase pursuant to Section 2 upon the satisfaction of the conditions to Closing that appear in Section 4 or (3) amend any of Sections 8, 11(a), 11(b), 12, 17 or 20.

Section 17.2. Solicitation of Holders of Notes.

(a) *Solicitation.* The Company will provide each holder of a Note with sufficient information, sufficiently far in advance of the date a decision is required, to

enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each holder of a Note promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) *Payment.* The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of a Note as consideration for or as an inducement to the entering into by such holder of any waiver or amendment of any of the terms and provisions hereof or of any Note unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of a Note even if such holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent made pursuant to this Section 17 by any holder of a Note that has transferred or has agreed to transfer its Note to (1) the Company, (2) any Subsidiary or any other Affiliate or (3) any other Person in connection with, or in anticipation of, such other Person acquiring, making a tender offer for or merging with the Company and/or any of its Affiliates, in each case in connection with such consent shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such transferring holder.

Section 17.3. Binding Effect, Etc. Any amendment or waiver consented to as provided in this Section 17 applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and any holder of a Note and no delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any holder of such Note.

Section 17.4. Notes Held by Company, Etc. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement or the Notes, or have directed the taking of any action provided herein or in the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

SECTION 18. NOTICES.

Except as otherwise provided in Section 7.4, all notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by an internationally recognized overnight delivery service (charges prepaid), (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by an internationally recognized overnight delivery service (charges prepaid). Any such notice must be sent:

- (1) if to any Purchaser or its nominee, to such Purchaser or nominee at the address specified for such communications in Schedule A, or at such other address as such Purchaser or nominee shall have specified to the Company in writing,
- (2) if to any other holder of any Note, to such holder at such address as such other holder shall have specified to the Company in writing, or
- (3) if to the Company, to the Company at 4150 19th Ave S, #101, Fargo, North Dakota 58103 to the attention of the Treasurer, or at such other address as the Company shall have specified to the holder of each Note in writing.

Notices under this Section 18 will be deemed given only when actually received.

SECTION 19. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating hereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at a Closing (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital, or other similar process and such Purchaser may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

SECTION 20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, "*Confidential Information*" means information delivered to any Purchaser by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of the Company or such Subsidiary, *provided* that such term does not include information that (a) was publicly known or otherwise known to

such Purchaser (other than from a source actually known to such Purchaser to be subject to a confidentiality agreement with the Company or any Subsidiary relating to such Confidential Information) prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on such Purchaser's behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by the Company or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, *provided* that such Purchaser may deliver or disclose Confidential Information to (1) its directors, officers, employees, agents, attorneys, trustees and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Notes), (2) its auditors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 20, (3) any other holder of any Note, (4) any Institutional Investor to which it sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (5) any Person from which it offers to purchase any Security of the Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (6) any federal or state regulatory authority having jurisdiction over such Purchaser, (7) the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser's investment portfolio, or (8) any other Person to which such delivery or disclosure may be necessary or appropriate (i) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (ii) in response to any subpoena or other legal process, (iii) in connection with any litigation to which such Purchaser is a party or (iv) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser's Notes and this Agreement. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying the provisions of this Section 20.

In the event that as a condition to receiving access to information relating to the Company or its Subsidiaries in connection with the transactions contemplated by or otherwise pursuant to this Agreement, any Purchaser or holder of a Note is required to agree to a confidentiality undertaking (whether through IntraLinks, another secure website, a secure virtual workspace or otherwise) which is different from this Section 20, this Section 20 shall not be amended thereby and, as between such Purchaser or such holder and the Company, this Section 20 shall supersede any such other confidentiality undertaking.

SECTION 21. SUBSTITUTION OF PURCHASER.

Each Purchaser shall have the right to substitute any one of its Affiliates or another Purchaser or any one of such other Purchaser's Affiliates (a "*Substitute Purchaser*") as the

purchaser of the Notes that it has agreed to purchase hereunder, by written notice to the Company, which notice shall be signed by both such Purchaser and such Substitute Purchaser, shall contain such Substitute Purchaser's agreement to be bound by this Agreement and shall contain a confirmation by such Substitute Purchaser of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Purchaser in this Agreement (other than in this Section 21), shall be deemed to refer to such Substitute Purchaser in lieu of such original Purchaser. In the event that such Substitute Purchaser is so substituted as a Purchaser hereunder and such Substitute Purchaser thereafter transfers to such original Purchaser all of the Notes then held by such Substitute Purchaser, upon receipt by the Company of notice of such transfer, any reference to such Substitute Purchaser as a "Purchaser" in this Agreement (other than in this Section 21), shall no longer be deemed to refer to such Substitute Purchaser, but shall refer to such original Purchaser, and such original Purchaser shall again have all the rights of an original holder of the Notes under this Agreement.

SECTION 22. MISCELLANEOUS.

Section 22.1. Successors and Assigns. All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including, without limitation, any subsequent holder of a Note) whether so expressed or not, except that, subject to Section 10.4, the Company may not assign or otherwise transfer any of its rights or obligations hereunder or under the Notes without the prior written consent of each holder. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto and their respective successors and assigns permitted hereby) any legal or equitable right, remedy or claim under or by reason of this Agreement.

Section 22.2. Payments Due on Non-Business Days. Anything in this Agreement or the Notes to the contrary notwithstanding (but without limiting the requirement in Section 8.4 that the notice of any optional prepayment specify a Business Day as the date fixed for such prepayment), any payment of principal of or Make-Whole Amount or interest on any Note that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; *provided* that if the maturity date of any Note is a date other than a Business Day, the payment otherwise due on such maturity date shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

Section 22.3. Accounting Terms. All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, (a) all computations made pursuant to this Agreement shall be made in accordance with GAAP, and (b) all financial statements shall be prepared in accordance with GAAP. For purposes of determining compliance with this Agreement (including, without limitation, Section 9, Section 10 and the definition of "Indebtedness"), any election by the Company to measure any financial liability using fair value (as permitted by Financial Accounting Standards Board Accounting Standards Codification Topic No. 825-10-25 – *Fair Value Option*, International Accounting Standard 39 – *Financial*

Instruments: Recognition and Measurement or any similar accounting standard) shall be disregarded and such determination shall be made as if such election had not been made.

Section 22.4. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

Section 22.5. Construction, Etc. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

Section 22.6. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

Section 22.7. Governing Law. This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

Section 22.8. Jurisdiction and Process; Waiver of Jury Trial.

(a) The Company irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Notes. To the fullest extent permitted by applicable law, the Company irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) The Company agrees, to the fullest extent permitted by applicable law, that a final judgment in any suit, action or proceeding of the nature referred to in Section 22.8(a) brought in any such court shall be conclusive and binding upon it subject to rights of appeal, as the case may be, and may be enforced in the courts of the United States of America or the State of New York (or any other courts to the jurisdiction of which it or any of its assets is or may be subject) by a suit upon such judgment.

(c) The Company consents to process being served by or on behalf of any holder of Notes in any suit, action or proceeding of the nature referred to in Section 22.8(a) by mailing a copy thereof by registered, certified priority or express mail (or any

substantially similar form of mail), postage prepaid, return receipt or delivery confirmation requested, to it at its address specified in Section 18 or at such other address of which such holder shall then have been notified pursuant to said Section. The Company agrees that such service upon receipt (1) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (2) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(d) Nothing in this Section 22.8 shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(e) The parties hereto hereby waive trial by jury in any action brought on or with respect to this Agreement, the Notes or any other document executed in connection herewith or therewith.

The execution hereof by the Purchasers shall constitute a contract among the Company and the Purchasers for the uses and purposes hereinabove set forth.

In connection with this opinion, we have examined the following documents:

- (A) The Third Restated Articles of Incorporation of the Company, as amended, certified by the Secretary of State of the State of Minnesota (the “*Articles*”);
- (B) The Restated Bylaws of the Company, as amended, certified by its Secretary (the “*Bylaws*”);

- (E) An executed copy of the Note Purchase Agreement;

- (F) Executed copies of the Subject Notes; and
- (G) The other documents delivered in connection with the Closing on the date hereof.

We also have examined such other documents and reviewed such questions of law as we have considered necessary and appropriate for the purposes of this opinion. In addition, as to questions of fact material to the opinions hereinafter expressed, we have, when relevant facts were not independently established by us, relied upon certificates and opinions of the Company, its attorneys and officers, and of public officials, the offeree letter dated September 12, 2019 issued by BofA Securities, Inc. and U.S. Bancorp Investments, Inc. and addressed to the Company, Schiff Hardin LLP and us, and the representations made in the Note Purchase Agreement and the Subject Notes. We have not independently examined the records of any court or public office in any jurisdiction, and our opinion is subject to matters which examination of such records would reveal.

In rendering our opinions set forth below, we have assumed the authenticity of all documents submitted to us as originals, the genuineness of all signatures and the conformity to authentic originals of all documents submitted to us as copies. We have also assumed (i) the legal capacity for all purposes relevant hereto of all natural persons and, (ii) with respect to all parties to agreements or instruments relevant hereto other than the Company, (A) that such parties had the requisite power and authority (corporate or otherwise) to execute, deliver and perform such agreements or instruments, (B) that the execution, delivery and performance of such agreements or instruments have been duly authorized by all requisite action (corporate or otherwise), (C) that such agreements have been duly executed and delivered by such parties and (D) that such agreements or instruments are the valid, binding and enforceable obligations of such parties. We have assumed the representations and warranties of the Company and the Purchasers contained in the Note Purchase Agreement and the Subject Notes with respect to factual matters are true and correct as of the date of this opinion and all other statements of fact contained in the Note Purchase Agreement and the Subject Notes are true, but no statements as to law or conclusions of law in the Note Purchase Agreement or the Subject Notes which are expressly addressed by this opinion are assumed to be true. We have assumed that the Company engages in business activities as described in the Annual Report on Form 10-K for the fiscal year ended December 31, 2018 of Otter Tail Corporation, a Minnesota corporation, as filed with the Securities and Exchange Commission on February 22, 2019 (the "*OTC Form 10-K*"). We have also assumed that all conditions precedent to the effectiveness of the Note Purchase Agreement and the issuance and purchase of the Subject Notes have been satisfied or waived.

Our opinions expressed below as to certain factual matters are qualified as being limited "to our knowledge," "known by us," or by other words to the same or similar effect. Such words, as used herein, mean that prior to or during the course of this firm's representation of the Company in connection with the specific transactions contemplated by the Note Purchase Agreement, no contrary information came to the attention of [L. Joseph Genereux, Gary L. Tygesson, Brian R. Rosenau or Natasha Wells], the attorneys in our firm who have principally

represented the Company in connection with the transactions contemplated by the Note Purchase Agreement and the Subject Notes. In rendering such opinions, we have not conducted any independent investigation of the Company, consulted with other attorneys in our firm with respect to the matters covered thereby, or reviewed any of our prior files involving the Company. Finally, no inference as to our knowledge with respect to the factual matters upon which we have so qualified our opinions should be drawn from the fact of our representation of the Company.

Based on the foregoing and upon such investigation as we have deemed necessary, and subject to the qualifications set forth below, we are of the opinion that:

1. The Company is a corporation duly incorporated, validly existing and, based solely upon the MN Certificate of Good Standing, in good standing, under the laws of the State of Minnesota and has the corporate power and the corporate authority to execute, deliver and perform the Note Purchase Agreement and to issue the Subject Notes, and has the corporate power and the corporate authority to conduct the activities in which it is now engaged, as described in the OTC Form 10-K.
2. Based solely upon the other Certificates of Good Standing, the Company is duly licensed or qualified and is in good standing as a foreign corporation in North Dakota and South Dakota.
3. The Note Purchase Agreement and the Subject Notes have been duly authorized by all requisite corporate action on the part of the Company, have been duly executed and delivered by the Company and constitute the legal, valid and binding agreements of the Company enforceable against the Company in accordance with their respective terms.
4. No approval, consent or withholding of objection on the part of, or prior filing, registration or qualification with, any Minnesota, New York or federal governmental authority is required to be obtained or made by the Company in connection with its execution, delivery and performance of the Note Purchase Agreement or the Subject Notes, except such as have been obtained or made.
5. Neither the issuance and sale by the Company of the Subject Notes, nor the execution, delivery and performance by the Company of the Note Purchase Agreement or the Subject Notes (a) conflict with or result in any breach of any of the provisions of or constitute a default under or result in the creation or imposition of any Lien upon any of the property of the Company pursuant to the provisions of the Articles or Bylaws, or (b) result in the contravention of any law, rule or regulation, or any order known by us to exist, of any Minnesota, New York or federal governmental authority, as to which the Company or its properties or assets or any thereof are subject.
6. The issuance, sale and delivery of the Subject Notes, under the circumstances contemplated by the Note Purchase Agreement, do not, under existing

law, require the registration of the Subject Notes under the Securities Act of 1933, as amended, or the qualification of an indenture under the Trust Indenture Act of 1939, as amended.

7. The Company is not required to register as an “investment company” as such term is defined in the Investment Company Act of 1940, as amended, and to our knowledge, based solely on our review of the statements of beneficial ownership of Otter Tail Corporation’s stock filed as of the date hereof with the Securities and Exchange Commission and in reliance upon certificates of officers of the Company, the Company is not “controlled” by an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

8. The issuance of the Subject Notes and the use of the proceeds of the sale of the Subject Notes in accordance with the provisions of and as contemplated by the Note Purchase Agreement do not violate Regulation T, U or X of the Board of Governors of the Federal Reserve System.

The opinions set forth above are subject to the following qualifications and exceptions:

(a) Our opinions above are subject to the effect of any applicable bankruptcy, insolvency, reorganization, arrangement, moratorium, fraudulent transfer, statutes of limitation or other similar laws and judicial decisions, in each case affecting or relating to the rights of creditors generally.

(b) Our opinions above are subject to the effect of general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, estoppel, election of remedies and other similar doctrines affecting the enforceability of agreements generally (regardless of whether considered in a proceeding in equity or at law). In addition, the availability of specific performance, injunctive relief, the appointment of a receiver, marshalling of assets, stay or other equitable remedies is subject to the discretion of the tribunal before which any proceeding therefor may be brought, unless such discretion is limited by an applicable statute.

(c) Our opinions are further subject to other laws and judicial decisions affecting the rights of creditors and secured creditors generally, including, without limitation, that the enforceability of the remedies, covenants or other provisions of the Note Purchase Agreement and the Subject Notes and the availability of equitable remedies may be limited where the enforcement of specific rights under the Note Purchase Agreement or the Subject Notes may require a judgment or decree of a court of competent jurisdiction after prior notice to the Company and an opportunity for the Company to be heard by an appropriate tribunal.

(d) Our opinion relating to the enforceability of the choice of New York law provisions of the Note Purchase Agreement and the Subject Notes is rendered in

reliance upon Section 5-1401 of the General Obligations Law of New York and is subject to the qualification that such enforceability may be limited by public policy considerations of any jurisdiction, other than the courts of the State of New York, in which enforcement of such provisions, or of a judgment upon an agreement containing such provisions, is sought.

(e) We express no opinion as to the enforceability of provisions of the Note Purchase Agreement and the Subject Notes to the extent they contain:

- (i) forum selection provisions, or any provision which purports to confer jurisdiction upon any court or other tribunal;
- (ii) waivers by the Company of any statutory or constitutional rights, defenses or remedies, or the right to recover certain types of damages, or the right to impose counterclaims, or of statutes of limitation or the tolling thereof;
- (iii) cumulative remedies to the extent such cumulative remedies purport to compensate, or would have the effect of compensating, the party entitled to the benefits thereof in an amount in excess of the actual loss suffered by such party;
- (iv) provisions requiring the Company to pay an early termination fee or other form of liquidated damages, if the payment of such fee or damages is determined by a court to be unreasonable in relation to actual damages or disproportionate to actual damages suffered by the Purchasers as a result of such prepayment, default or termination;
- (v) provisions requiring the Company to pay a prepayment premium upon payment in full of the indebtedness after an acceleration thereof for default or in connection with the payment of any amount due in redemption after default;
- (vi) provisions which purport to render prohibited transfers null and void;
- (vii) provisions to the effect that the terms of any document may not be waived or modified orally or by course of conduct;
- (viii) provisions which purport to establish evidentiary standards;
- (ix) provisions which purport to grant powers of attorney to any Purchaser; or
- (x) provisions which excuse any person or entity from liability for, or require any person or entity to indemnify any person or entity against, the

indemnified person's or entity's gross negligence or willful misconduct, or any other indemnification agreement which may be contrary to public policy.

(f) Our opinions in Paragraphs 4 and 5, above, are limited to (x) our actual knowledge of the specific business activities and properties of the Company based solely upon the OTC Form 10-K in respect of such matters and (y) laws and regulations (including laws and regulations applicable to a public utility company) normally applicable to transactions of the type contemplated in the Note Purchase Agreement and the Subject Notes and do not extend to licenses, permits and approvals necessary for the conduct of the Company's business or any federal securities laws (other than as provided in our opinions in Paragraphs 6 and 7 above), or the securities or "Blue Sky" laws of any state or foreign jurisdiction. In addition and without limiting the previous sentence, we express no opinion herein with respect to the effect of any land use, safety, hazardous material, environmental or similar law, or any local law.

(g) In rendering our opinion in Paragraph 4, above, we are only opining as to approvals, consents, withholdings of objection, filings, registrations and qualifications necessary for the Company to execute, deliver and perform its obligations under the Note Purchase Agreement and the Subject Notes, and we express no opinion with respect to any approval, consent or withholding of objection on the part of, or any filing, registration or qualification with, any governmental authority or agency required generally in connection with the day-to-day business or operations of the Company.

(h) Except as set forth in Paragraph 5, above, we express no opinion as to compliance or the effect of noncompliance by the Company with any laws or regulations applicable to the Company in connection with the transactions described in the Note Purchase Agreement or the Subject Notes.

(i) We express no opinion as to compliance or the effect of noncompliance by the Purchasers with any state or federal laws or regulations applicable to the Purchasers in connection with the transactions described in the Note Purchase Agreement and the Subject Notes.

The opinions expressed above are limited to the laws of the States of Minnesota and New York and the federal laws of the United States and we express no opinion as to the laws of any other jurisdiction.

The foregoing opinions are being furnished solely for the benefit of the Purchasers named on Schedule A hereto (and their transferees, provided that any transfer of the Subject Notes to such transferees is made in accordance with the applicable provisions of the Note Purchase Agreement), and may not be relied upon by, nor may copies be delivered to, any other person without our prior written consent, except to the extent required by applicable law or regulation or in response to a subpoena or court order, or in accordance with any auditing or oversight function or to any governmental or regulatory authority, including, without limitation, the National Association of Insurance Commissioners, to which any Purchaser or permitted

(to Note Purchase Agreement)

[DATE]

To the Purchasers named on
Schedule A attached hereto

Ladies and Gentlemen:

I have acted as General Counsel to Otter Tail Power Company, a Minnesota corporation (the “*Company*”), in connection with the issuance and sale by the Company on the date hereof of [\$10,000,000 aggregate principal amount of its 3.07% Series 2019A Senior Unsecured Notes due October 10, 2029 (the “*Series 2019A Notes*”), \$26,000,000 aggregate principal amount of its 3.52% Series 2019B Senior Unsecured Notes due October 10, 2039 (the “*Series 2019B Notes*”), and \$64,000,000 aggregate principal amount of its 3.82% Series 2019C Senior Unsecured Notes due October 10, 2049 (the “*Series 2019C Notes*”, and together with the Series 2019A Notes and the Series 2019B Notes, the “*Subject Notes*”)] [\$10,000,000 aggregate principal amount of its 3.22% Series 2020A Senior Unsecured Notes due February 25, 2030 (the “*Series 2020A Notes*”), \$10,000,000 aggregate principal amount of its 3.62% Series 2020C Senior Unsecured Notes due February 25, 2040 (the “*Series 2020C Notes*”), and \$15,000,000 aggregate principal amount of its 3.92% Series 2020D Senior Unsecured Notes due February 25, 2050 (the “*Series 2020D Notes*”, and together with the Series 2020A Notes and the Series 2019C Notes, the “*Subject Notes*”)] [\$40,000,000 aggregate principal amount of its 3.22% Series 2020B Senior Unsecured Notes due August 20, 2030 (the “*Subject Notes*”)], pursuant to that certain Note Purchase Agreement (the “*Note Purchase Agreement*”), dated as of September 12, 2019, between the Company and the purchasers party thereto (the “*Purchasers*”).

This opinion is being delivered pursuant to Section 4.4(a)(2) of the Note Purchase Agreement. Capitalized terms used herein, except as otherwise specifically defined herein, are used with the same meaning as defined in the Note Purchase Agreement.

In connection with this opinion, I have examined the following documents:

1. The Third Restated Articles of Incorporation of the Company, as amended;
2. The Restated Bylaws of the Company, as amended;
3. Resolutions of the Board of Directors of the Company adopted by written action with an effective date of [September 9], 2019];
4. An executed copy of the Note Purchase Agreement;
5. Executed copies of the Subject Notes; and
6. The other documents delivered in connection with the Closing on the date hereof.

I also have examined such other documents and reviewed such questions of law as I have considered necessary and appropriate for the purposes of this opinion.

In rendering my opinions set forth below, I have assumed the authenticity of all documents submitted to me as originals, the genuineness of all signatures (other than the signatures of officers of the Company) and the conformity to authentic originals of all documents submitted to me as copies. I also have assumed the legal capacity for all purposes relevant hereto of all natural persons (other than officers of the Company) and, with respect to all parties to agreements or instruments relevant hereto other than the Company, that such parties had the requisite power and authority (corporate or otherwise) to execute, deliver and perform such agreements or instruments, that such agreements or instruments have been duly authorized by all requisite action (corporate or otherwise), executed and delivered by such parties and that such agreements or instruments are the valid, binding and enforceable obligations of such parties. As to questions of fact material to my opinion, I have relied upon representations and certificates of officers and other employees of the Company (known by me to have authority to make such representations and certifications on behalf of the Company) and certificates of public officials.

Based on the foregoing, I am of the opinion that:

(i) No approval, consent or withholding of objection on the part of, or filing, registration or qualification with, any Minnesota, North Dakota or South Dakota governmental authority is required to be obtained or made by the Company in connection with the execution, delivery and performance of the Note Purchase Agreement or the Subject Notes, except such as have been obtained or made.

(ii) The execution, delivery and performance by the Company of the Note Purchase Agreement and the Subject Notes do not conflict with or result in any breach of any of the provisions of or constitute a default under or result in the creation or imposition of any Lien upon any of the property of the Company pursuant to any Material agreement or instrument to which the Company is a party or by which it is bound.

(iii) There is no litigation pending or, to the best of my knowledge, threatened which in my opinion could reasonably be expected to have a Material Adverse Effect on the Company or which would impair the ability of the Company to issue and deliver the Subject Notes or to enter into or comply with the provisions of the Note Purchase Agreement.

The opinions expressed above are limited to the laws of the States of Minnesota, North Dakota and, in the case of paragraph (i) above, South Dakota, and the federal laws of the United States, and I express no opinion as to the laws of any other jurisdiction.

The foregoing opinions are being furnished solely for the benefit of the Purchasers named on Schedule A hereto (and their transferees, provided that any transfer of the Subject Notes to such transferees is made in accordance with the applicable provisions of the Note Purchase Agreement), and may not be relied upon by, nor may copies be delivered to, any other person without my prior written consent, except to the extent required by applicable law or regulation or in accordance with any auditing or oversight function or in response to a subpoena

or court order, or to any governmental or regulatory authority, including, without limitation, the National Association of Insurance Commissioners, to which any Purchaser or permitted transferee is subject. No use of or reliance on the foregoing opinions by any party, including, without limitation, the Purchasers, shall establish or imply an attorney-client relationship between such party and me with respect to the Note Purchase Agreement or the transactions contemplated by the Note Purchase Agreement, and each such party by using or relying on the foregoing opinions disclaims any such attorney-client relationship with respect to the Note Purchase Agreement and the transactions contemplated by the Note Purchase Agreement for any purpose without my prior written approval.

FORM OF OPINION OF SPECIAL COUNSEL TO THE PURCHASERS

The opinion of Schiff Hardin LLP, special counsel to the Purchasers, called for by Section 4.4(b) of the Agreement, shall be the applicable Closing Date and addressed to the Purchasers, shall be satisfactory in form and substance to the Purchasers and shall be to the effect that:

1. The Company is a corporation existing and in good standing under the laws of the State of Minnesota.
2. The Agreement and the Notes being delivered on the date hereof constitute the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms.
3. The issuance, sale and delivery of the Notes being delivered on the date hereof under the circumstances contemplated by this Agreement do not, under existing law, require the registration of such Notes under the Securities Act or the qualification of an indenture under the Trust indenture Act of 1939, as amended.

The opinion of Schiff Hardin LLP shall also state that the opinions of Dorsey & Whitney LLP and the General Counsel of the Company delivered on the applicable Closing Date are satisfactory in scope and form to Schiff Hardin LLP and that, in their opinion, the Purchasers are justified in relying thereon.

In rendering the opinion set forth in paragraph 1 above, Schiff Hardin LLP may rely, as to matters referred to in paragraph 1, solely upon an examination of the certificate of good standing of the Company from the Secretary of State of the State of Minnesota. The opinion of Schiff Hardin LLP is limited to the laws of the State of New York and the Federal laws of the United States.

With respect to matters of fact upon which such opinion is based, Schiff Hardin LLP may rely on appropriate certificates of public officials and officers of the Company and upon representations of the Company and the Purchasers delivered in connection with the execution and delivery of the Agreement.
